

## HAGUE BAR SPORT PREMIUM/PE FUNDING 18/19

### **PE Primary School Sport in England**

The government provides funding for primary school sport, known as the 'Sport Premium'. Funding is allocated directly to schools with primary aged pupils providing a dedicated resource to improve PE and sport provision. Schools have the freedom to choose how they use the funding, but the aim is to build a sustainable model of improved provision for PE and sport.

We aim to increase participation and opportunity to take part in/try new sports as well as provide sustainability through CPD (Career professional development) for staff.

### **We were allocated a revised figure of £ 17,151 for 2018/19**

#### **Uses of the funding in the previous years includes:**

Different sports delivered to all, and year groups rotated to maximise opportunity and participation.

Specialist Sports Coach to deliver extra training sessions for teams competing in tournaments

After school clubs such as Dance, Dodgeball, Football, Gymnastics and Multi-sports for KS1 and KS2 children.

Staff training to improve the teaching of specific areas of sports.

New sport equipment for P.E. lessons and lunchtime activities.

#### **Our PE Funding 18/19 has been used to:**

- Employ coaches from UK Sport Coaching to work alongside teachers and teaching assistants to develop teaching in all areas of PE
- Employ a PE specialist from New Mills Secondary School to co-ordinate PE events across the New Mills cluster
- Access local competition provision in High Peak
- Employ a PE specialist to work specifically with KS1 and Foundation Stage on BikeAbility, Gymnastics and Key Skills
- To purchase essential resources/ coaching for Golf and Lacrosse teaching
- To put a large contribution towards Prince William Award for years 1 and 3.
- To provide transport to local level competition using Disley Community Mini Bus
- To release a member of staff to train as PE coordinator alongside UK Coaching.

### Some of the outcomes include:

- We are now teaching an even wider area of the PE curriculum (including golf and active problem solving teamwork activities)
- We have included PE activities linked more closely to New Mills Cluster events
- Our participation in New Mills Cluster events means 100% of our children are involved in competitive and Festival based activities at least once every year
- We have included even better quality Dance and Gymnastics units.
- The PE specialist has offered support to our whole staff in delivering high quality PE and resources have been purchased to improve all skills through them.
- The play area is now in place and playground better used daily to encourage more active and adventurous play
- A termly PE assessment for all children is embedded with much progress being seen
- Lunchtimes are much better suited for delivering our high quality PE through play.
- No child is left behind!
- The school has achieved the highest position in school games by, one of only three in Derbyshire, in achieving its Platinum Award for Sport
